

Research the key events in Queen Victoria's life. Find out how many years she reigned for (how many years she was queen).

Read the poem 'Woolly Saucepan' by Michael Rosen and think of other objects that would not work e.g. a paper sofa.

Write or draw your own version of 'Little Red Riding Hood' with a different ending. Can you also change the characters?

I must try to...

- Read every day and have my partnership book signed.
- Practise my spellings.
- Complete one of the optional tasks each week.

Find as many objects in your house as you can that are made from:

metal, wood, plastic and glass.

Year 1&2 Homework

How many of these 2D (flat) shapes can you find in your house?

square, circle, rectangle, triangle

Find a material that would be good for keeping one of your toys dry in the rain.

Make your own musical instrument at home that you can hit, shake or pluck. Use it to play a rhythm.

How many of these 3D (solid) shapes can you find in your house?

cylinder, cone, cube, cuboid, pyramid

Use a fridge magnet to find magnetic materials in your house.

Find out what equipment children used in Victorian schools - what did they write on?

Find a square, triangle and rectangle. Do all of these shapes have the same number of vertices (corners) as they have sides?
