

Find five items at home and put them in order from shortest to longest.

Make your own drawing or painting using the primary colours (red, blue and yellow) only.

How many 'powerful verbs' can you think of that mean 'shout' (e.g. 'yell, howl')?

I must try to...

- Read every day and have my partnership book signed.
- Practise my spellings.
- Complete one of the optional tasks each week.

Listen to the poem 'Boogy Woogy Buggy' by Michael Rosen.

<https://www.youtube.com/watch?v=3lOo315p9WM>

See if you can think of strange or amazing things that these ordinary objects could do... e.g. a sofa could fly into the sky! A table could run away!

Year 1&2 Homework

Write an addition, subtraction, multiplication or division problem for someone at home to solve.

Find as many objects as you can at home that are primary colours and secondary (orange, green, purple) colours.

What is the tallest item you can find in your home? What is the shortest?

How many different materials can you find in your home? What material are the most objects made from?

Use a pencil to draw as many different lines as you can. Can you draw curved, straight, thick, thin and wavy lines?

Retell the main events from our story for this half term ('On the Way Home'). Write a list of other characters that Claire could meet.

Use adjectives to write a character description for one of the characters from 'On the Way Home'. Draw your own character and write a description.
