

Research a country from North America and one from South America. Compare and contrast the following:

- Famous Buildings
- Rivers
- Lakes
- Mountains
- Cities
- The Coast
- Contrasts in landscape

Choose a suitable way to present your work.

Relax and practise mindfulness at home by taking part in Yoga.

There are many different creatures living in the Everglades, Alaska and even in Death Valley. Find out about one of them and create an animal fact file.

I must try to...

- Read every day and have my partnership book signed.
- Practise my spellings and times tables.
- Try and complete one of the optional tasks each week.

Create a PowerPoint presentation or leaflet on the Amazon rainforest. What interesting facts could you include that others may not know?

Year 6 Homework

Research a famous scientist who created an important electrical invention and present your findings.

Play this online electrical safety game:

<https://www.switchedonkids.org.uk/electricalsafety-in-your-home>

Design and create your own switch to be used in a circuit.

Investigate Native American tribes. Select an aspect of life for a chosen tribe, e.g. food, housing, clothing. Record, design or create something to show what you've found out.

Try to complete the following challenges each day for one week:

- 10 star jumps
- 10 sit ups
- 10 press ups
- 10 squats

Find out more about our science topic this half term: electricity

Write an explanation text about how a volcano is formed.
