

## Our Jubilee Celebrations!

In Saplings Class we have been finding out about our queen and this year's jubilee celebrations.

We learnt that the queen is called Queen Elizabeth and that is the second queen to rule our country to have the name Elizabeth. We found out that she has been our queen for 70 years and this is being celebrated by holding a platinum jubilee. Queen Elizabeth lives in Windsor Castle.

We used red, white, and blue tissue paper to collage a Union Jack flag.

We created jubilee bunting decorated with our hand prints.

We ate 'jubilee' biscuits that we had made and ate them with our milk at snack time. Look at our lovely bunting!

Happy Platinum Jubilee Your Majesty!
