

Saplings Class Christmas activities 2021

*In Saplings class we have been working hard to listen to and learn the story of **The First Christmas**. We retold the story using our 'barn' and Nativity puppet characters.*

Christmas Cards

We used our name cards to help us to try and copy some letters from our name, as we wrote on our Christmas cards -which we had decorated using icing sugar and glitter!

Decorations

We made Christmas tree decorations. We glued lolly sticks together and then decorated them with ribbon and glitter. We think they look great!

Christmas Jumper Day!

We all looked fantastic in our Christmas jumpers. We talked about why it was kind to give money to charity.

Christmas Party!

After our Christmas jumper day we were all very excited to take part in our Christmas party.

We had great fun dancing and playing musical statues and 'pass the parcel'.

Then we all enjoyed some party food!

Happy Christmas!
