Dear Parents/Carers,

DATES FOR YOUR DIARY

Our Partnership Book will be with you soon with lots of information on school events planned for the whole year. In the meantime, I attach below a quick reference guide for key dates for this term.

These dates are subject to sudden change in the current circumstances but we really do not want you to miss out on some of the special partnership events we held last year.

You will see some are virtual and will be sent to you via video over class dojo or the website. You can arrange tickets to your own living rooms!

Staff will send precise details for events nearer each date but we thought you might wish to pop some things in your diary.

Dates in the Partnership book are scheduled as 'virtual' for the whole year but of course will resume to normal if and when restrictions are removed.

I hope you find these useful.

Yours sincerely,

Mrs. C Hurst BA (Hons) PGCE NPQH NLE
