

What could be even better
if.....?
We want you views!

Leading Parent
Partnership Award

Watch out for a survey coming
soon!

Dear Parents & Carers

We have listened to you and have taken action.

We have made it our number one priority this year to improve engagement with you, our parents, carers and families. We have enlisted the help of the LPPA and are aiming to gain the 'Leading Parent Partnership Award' by the beginning of next academic year.

We have created a LPPA Working Group which includes a governor, parents and an LPPA Co-ordinator.

Our co-ordinator is Miss Haywood and she will be the face of our working group this year.

Our parents are Ms Booth and Ms Morledge-Seeds and our governor is Mr Bannerman.

We have undertaken a self-evaluation and are creating an action plan confirming our commitment to getting things right for you.

VISITORS
WELCOME!
PLEASE SIGN IN

Our Aims

- **Make Glapton Academy a really warm and welcoming school for everyone**
- **Provide opportunities for parent/carer learning**
- **Provide opportunities for parents & carers to learn with their children**
- **Provide the best ever induction for new families joining our school**
- **Review our information going out to you so that it is really high quality and tells you the stuff you need to know.**
- **We will make all of our key policies family friendly and accessible**
- **We will make sure our transition plans between key stages are the best they can be and support all of our children.**

Miss Haywood

We will keep you up-dated with developments in parent partnership and our progress towards achieving the award. We are going to be asking you for regular feedback on all sorts of things and aim to use a range of media to reach you all.

We will provide feedback on what you have said by letting you know how we responded.

You said.....

We responded.....

We are really excited
about working towards
this award and
sustaining it for the
future..

We are also going to improve our signage with clearer internal and external location/direction signs and symbols so that we meet the needs of all parents/carers when visiting the school.

We do loads in school to celebrate your children's success and now we are going to do loads more to share these successes with you!

Mrs. C Hurst
Headteacher
