

Friday 13th March 2020

Visit to Stonebridge City Farm

Dear Parents/Carers,

We are really excited to announce a great opportunity for the children to visit **Stonebridge City Farm** on **Wednesday 25th March 2020**. This will help us celebrate and consolidate our learning this half term from visiting different farm animals and exploring the mothers and their babies, to where the different animals live and what they need to live. We will be visiting the crops and vegetable gardens where children also get to see how our fruit and vegetables get to their plates.

Children will also be part of a number of tours and workshops throughout the day.

We will be travelling to Stonebridge City Farm by coach and will be leaving school at 9:15am. We will return to school for 14:45pm.

School will be subsidising the fabulous trip and are asking for a family contribution of £5 per child. Payments should be made via the School Gateway App and will be available on the app from the 14th March, please see the school office if you have any queries regarding this. **A packed lunch will be provided for each child so that the children can picnic together and no spending money is required.**

Please ensure children are wearing suitable footwear and clothing including: wellies and water proof suits or a water proof coat, along with a labelled water bottle. Due to safeguarding reasons, we are asking for children to come into school wearing their school jumper.

We are sure this will be a wonderful experience for the children. If you have any queries please talk to your child's class teacher.

Kind Regards
The EYFS Team
