Headteacher: Mrs C Hurst BA(hons) PGCE NPQH NLE

Dear Parents/Carers,

We have been reviewing our remote learning provision offer and discussing ways we can make things even easier for our families and children to access learning at home. There is a possibility that closure may extend after half term and we are always striving to support you as much as possible at home. You are doing an amazing job and the work being completed via class dojo is really impressive. Thank you!

We would now like the children to complete their home learning work in a school exercise book. This will support them to continue to build upon expectations set in Autumn 2, allow uploaded work to be clearly seen by teachers and allow us to keep and fully assess work upon schools re-opening.

The children also use lots of support prompts in school to support their learning and although these are available via the school website, we thought it would be helpful to produce these for you. The packs include things like 100 squares for maths; word lists for writing, phonics mats and many more useful supports.

If your child is on the special needs register Mrs. Pye will also be providing your child's individual support pack on loan for the period of lockdown.

We hope these resources will support you at home and allow you to juggle all of your other many responsibilities.

Now this is where **WE NEED YOU**. The packs are too bulky and expensive to send so we need you to collect them.

Collection will be organised as follows.

Please do your very best to collect your packs at the correct time. If your child has permission from school to walk home alone they may collect their own pack at the appropriate time.

Thank you for your ongoing support

Yours sincerely,

Mrs. C Hurst BA (Hons) PGCE NPQH NLE
