Her Majesty The Queen

As you will be aware, Buckingham Palace yesterday announced the death of Her Majesty The Queen. We send our condolences to the Royal Family and to everyone who is affected by this very sad news.

The UK will now begin an official period of mourning for 10 days, until Her Majesty's funeral. We will send further details to you about this period and how the school will be responding to it. The DFE have indicated that schools in England will remain open. We will of course be adjusting our plans to provide time to reflect and consider this significant, historic and sad period of time.

From Monday, a book of condolence will be available in reception. All staff and parents who wish to pass on their condolences to the Royal Family are welcome to visit to sign the book. You may also sign the online book of condolence at www.royal.uk

This sad news will affect adults and children in many different ways. If we require any support for our children Mrs Oliver has access to bereavement resources and if any children need to reflect and grieve, trained staff will be available to provide support and answer any questions they may have.

Rev'd Lydia has let us know that today Holy Trinity with St Francis and St Mary's Churches will be open from 12-1pm where there will be an opportunity to light a candle, sign a book of condolence and leave a floral tribute if anyone should wish. A single bell will toll throughout the hour - if you are close to one of the churches, you may hear it - it marks the start of a period of national mourning.

NEW BUILD

We are very excited to have opened our new build and to welcome you through our new entrance into the refurbished reception area. The children have enjoyed using the corridor to access both sides of the school and will all have their first session in our brand-new library next week.

EYFS DROP IN

On Wednesday 14th September parents of our new reception (F2) children are invited to drop into school between 9:05 and 10:05 in the morning. This will be an opportunity for you to see how your little one has settled and will provide a little window onto their world at school. We do hope to see as many of you as possible on this morning.

PUPIL GROUPS

Our elected pupil groups are already starting activities to support their school. The School Council will be running a whole school assembly on 15th September followed by the Boy's Library group on 22nd September. The ECO team are getting their plans for the new garden ready and they will soon be looking for parent or grandparent volunteers to help with the digging! More details to follow.
