

Research...

What was the first power station in Britain? What did it burn to create electricity?

Create...

A poster detailing different sources of green energy.

Design your own...

Power station with different ways of creating energy.

I must try to...

- Read every day and sign your partnership book.
- Practise spellings and times tables.
- Try and complete one of the optional tasks each week.

Create...

A map of all the power stations and renewable sources of energy in Nottinghamshire.

Year 5/6 Homework

Write...

A diary entry imagining you are travelling a trade route from China to the UK. What do you see on your journey?

Find out...

How materials are transferred between the UK and the US.

Research...

How trade has changed throughout history.

What did it look like in the 1800s

Make...

A global brand to add to the process of 'globalisation'.

Have a look...

At the different ways different countries produce energy.

Research...

What is Fairtrade?

Use the internet to discover which products in your cupboard are Fairtrade.
