

Prepare...

A trip through the solar system. Write an advert for a trip through the solar system, describing the sights and scenery. Include facts about each planet.

Create...

A painting or collage of the solar system with all the planets and moons in order from the sun.

Design your own...

Rocket to survive the journey for astronauts visiting Mars.

I must try to...

- Read every day and sign your partnership book.
- Practise spellings and times tables.
- Try and complete one of the optional tasks each week.

Plan

Plan and make a tourist guide to the solar system. This could be on paper, video or a presentation.

Year 5 Homework

Write a...

Report about the first moon landing. Include the famous words said by Neil Armstrong as he first set foot on the moon.

Explore...

What is an orbit? Explain what an orbit is in a video or audio recording.

Find...

Information about the most likely moons of Jupiter to harness life.

Research...

How someone could survive on Mars. What would they need?

Have a look...

At Mars on Google Earth (Desktop Version).

Research...

The first man in space.

Use the internet or a library to research and find interesting missions into space.

What planets have we visited?
